FIG. 1

FIG. 2

0922273-041001

FIG. 6 is a top-down view of a circular device. The device has a central hole (12) and two semi-circular protrusions (14a, 14b) extending from the outer edge. The device is divided into two halves by a vertical dashed line (40a, 40b). The left half is labeled 14a and the right half is labeled 14b. The central hole is labeled 12. The outer edge is labeled 22. The inner edge of the protrusions is labeled 42a and 42b. A small inset diagram in the bottom right corner shows a cross-sectional view of the device, indicating its thickness and the central hole.
